3. This is NOT a prevailing wage project.
4. The Contractor will be responsible for the City's 2% B&O Tax.
5. Revised PLANS, BID TABULATION SHEET, and MEASURE & PAYMENT sections have been provided in this Addendum #1. All bids shall be provided on the REVISED BID TABS.

QUESTIONS:

1. Question: Will Boparc Consider an asphalt wearing course overlay?
Answer: The bid tab has been adjusted to provide two options. Item 27a has been provided as the original option for repairing the existing surface as necessary to accept the new surfacing. Item 27b has been provided as an option for adding a wearing course of asphalt on the existing surface. The Contractor shall provide two bid amounts, with all other items being equal. In either case, the contractor shall be responsible for warranty for a period of one year after construction has been completed and accepted by BOPARC.
2. Question: Will compaction testing be required for the court expansion areas?
Answer: Contractor shall be responsible for providing compaction testing per project specs.
3. Question: Will all fencing get removed? I noticed there is no new fence to be installed on the north side of the tennis court or on the east side of the pickleball courts. Also, are there any gates to install?
Answer: The revised plans attached to this addendum include additional fencing and gates for access.

4. Question: Will Boparc supply sleeves for netting as well as the nets?

Answer: Yes, Boparc will supply sleeves, however the contractor shall be responsible for installing the sleeves per manufacturer specifications. The following systems will be supplied.
